

**Eastbourne Home Educators**  
**Calendar 2015**

**Black & White Still Life**

# Hello!

**This is your Eastbourne Home Educators calendar for 2015.  
It is filled with information on the regular Home Ed meet ups and activities  
taken from the thoughts, wishes and ideas of the members of the group.**

**This year we are working with monthly themes, shown at the top of each month. The themes will  
allow us to explore the ideas suggested by the children and their families over the past year. Our Big  
Friday sessions will focus on these themes, with extra activities and trips booked in each month.  
Please see the Weekly Update posts on Facebook and Yahoo to keep up to date.**

**For those of you who are new to us, a little background;  
The Eastbourne Home Educators began meeting well over 10 years ago, starting out with only 4  
families in the area meeting every other week. *Now* there are around 300 children in our locality with  
extended networks in surrounding areas meeting on a weekly basis across the year.  
We have a wonderful mix of bright young people to share and learn with and a fantastically eclectic  
group of supporting, passionate parents.**

**The group is self motivating and self sustaining.  
It thrives when we all contribute in some way, perhaps organising a trip or activity,  
or adding your own expertise, thoughts and ideas.  
But also remember that just bringing yourselves,  
taking part and giving us the pleasure of your company is equally important!**

**PS anything with a \* has extra information at the back to take note of.**

**In order to keep up with extra activities, trips and groups  
that will be added over the year join the  
Yahoo and Facebook groups for regular updates.**
